

What to Do After You Get Into a Car Accident

After an accident, emotions run high and it's easy to forget the basics. This checklist is here to guide you step by step. Your safety comes first—call 911 if needed. Keep this sheet in your glove box so it's always within reach.

CHECKLIST

- ☐ Immediately check for any injuries and, if feasible, move the car to a safe spot. If not, call 911 immediately.
- ☐ Take pictures of any fleeting injuries (bruises, red marks, scratches).
- ☐ Take pictures of all vehicles, especially the other car involved. Also, capture any debris on the road.
- ☐ Call the police and file a report.
- ☐ Call Nick at Seidule Law for next steps and guidance: 407-448-2254
- ☐ See a doctor within 14 days, even if injuries seem minor.

DON'T

- ☐ Do not speak to the insurance company without first talking to a lawyer.
- ☐ Do not post anything about the accident on social media.
